

DOMAINE CAUHAPÉ

Vin de France “L’Eclipse”

Winemaker
Henri Ramonteu

Wine Region
South-West France

Story

Domaine Cauhape, nestled in Bearn between Biarritz and Lourdes, produces dry and sweet white wines. The 42-hectare vineyard boasts a favorable south, south-east exposure on steep hillsides, embraced by the Pyrenees. With five local grape varieties, including Petit Manseng, Gros Manseng, Courbu, Camaralet, and Lauzet, they create 8 or 9 wines each year, a true labor of passion.

Vineyard

This vineyard covering 54 acres, with 3000 vines per hectare. The vines have an average age of 40 years and produce a yield of 40 units per hectare. The soil is siliceous clay, and the climate is influenced by the nearby Pyrenees, creating a delightful mix of Atlantic and mountain weather.

Vinification

The fermentation process unfolds over 13 days, thanks to the industrious yeast at work. With the help of natural bacteria, malolactic fermentation takes place. The wine finds its home in stainless steel tanks, where it matures on lees for 5 months, acquiring a rich and complex character.

Tasting Notes

Deep gold color in the glass. The nose is of white flesh fruits and beautiful notes of citrus and spices. In the mouth, the round and supple attack develops a great palette of fruity and exotic flavors.

Food Pairing

This wine is ideal as an aperitif or with tapas, green salad, chilli paneer, white meats or with sushis.

QUICK FACTS

Variety

80% Gros Manseng, 20% Lauzet.

Aging

Stainless Steel Tank.
