Story

Château Vieux Potana, a family-owned estate situated in Néac, emerged from a partnership between the Dupas Family, renowned proprietors of Château Bechereau, and the expert team of Michel Rolland, who provides guidance to Joël Dupas in the art of winemaking. Michel Rolland, celebrated as one of the most impactful figures in the winemaking sphere, offers his expertise to numerous clients across 13 diverse countries.

Vineyard

Lalande-de-Pomerol AOC, bordering Pomerol to the north with Néac as one of its main villages, mirrors the classic Pomerol attributes in its wines. This blend consists of 85% Merlot and 15% Cabernet Franc from 35-year-old vines, harvested from select parcels.

Vinification

Each type of grape was fermented separately in stainless-steel tanks with controlled temperatures. Afterward, the wines aged for 12-14 months in French oak barrels (including one-third new barrels) before being blended and bottled.

Tasting Notes

Deep ruby color in the glass. The nose is of stewed dark fruits layered with green bell pepper and black olive. On the palate, notes of crunchy red fruits, dried cherry and plum, graphite and sweet pipe tobacco. A great combination of power and elegance; the finish is long and seductive with fine tannins.

Food Pairing

This wine is ideal with classic meat dishes, roast chicken, grilled vegetables, mushrooms risotto or with cheeses like Blue cheese, cheddar, and Gorgonzola.
