Story

5ive Russians brings together two of Sonoma's most distinctive cool-climate regions: the calm, steady charm of the Russian River Valley and the rugged, windswept edge of the Sonoma Coast. In the Russian River Valley, foggy mornings, cool afternoons, and well-drained soils help create bright, vibrant wines. Over on the coast, colder nights and breezy hillsides slow things down, adding structure and depth. The wines show a great balance—fine texture, bright acidity, and firm structure. They reflect the nuance of their terroirs and offer a clear expression of Sonoma's temperate vineyards.

Vineyard

This blend combines Cabernet Sauvignon from select Sonoma Valley vineyards with Merlot sourced from warmer Alexander Valley sites. Gravelly loam, volcanic, and alluvial soils help produce ripe, concentrated fruit while maintaining freshness, balance, and structure.

Vinification

Fermented in stainless steel to preserve fruit purity and freshness, the wine was aged for 20 months in once-used French oak barrels. This careful aging brings added complexity and a polished texture while maintaining the wine's vibrant fruit character.

Tasting Notes

Deep ruby in color, this wine opens with aromas of dark cherry, cassis, blackberry, and baking spice. The palate reveals ripe dark fruit, subtle oak, and soft tannins, balanced by fresh acidity. Rich and approachable, it finishes smooth and lingering.

Food Pairing

This wine is ideal with roasted lamb, and barbecue ribs. It also pairs beautifully with mushroom risotto, roasted vegetables, and aged cheeses.
