GOLD MEDAL- 2021 San Francisco World Spirts Competition

SILVER MEDAL -2021 USA Spirits Ratings

Tasting Notes:

Smooth and aromatic, this gin gets its velvety texture from California almonds. Big juniper notes, citrus peel, and a bone-dry finish make it an unmistakable London dry.

“Citrus driven with lime, lemon and tangerine present on nose and palate. A rich mouthfeel. A salty blend of citrus and stone fruit notes, with a bite of crisp juniper.” – USA Spirits Ratings 2021

Distillers Comments:

Distilled from wheat and 13 aromatics. Juniper forward with notes of cubeb pepper, cardamom and star anise. Lemon and orange peel balance out the warm spices. California almonds lend a creaminess to the spirit. Perfect for negronis and martinis.

Distillation and Process:

Distilled in an 800 liter alembic style copper still imported from Bordeaux, France. The still is custom made to allow for the unique process of only one distillation run to removes harshness and aggressivity from the spirit to create a supple, balanced and round spirit with no loss of aromatic flavor.

Dry spices are macerated for 36 hours before distillation. Fresh citrus peels are added right before distillation to maximize flavors. Bottled at 42%ABV.

London Dry Gin

Distilled From Wheat
