Story

Nestled among vineyards and offering a panoramic view of the renowned village of Verdigny, this family estate has been cherished across multiple generations. The captivating Domaine de la Villaudiere is currently under the skilled stewardship of Jean-Marie Reverdy, with his wife Catherine and their son Guillaume. Their youngest son, Baptiste, shares their passion for wine and plans to contribute to the family business once he completes his studies.

Vineyard

This wine comes from Sauvignon vineyards that are at least 40 years old, located on limestone soil known as "Les Caillottes". The limestone, which is typical of the Sancerre region, gives the wine its mineral quality, while the age of the vines adds richness and depth to the taste. This combination results in a well-rounded and classy wine with plenty of character.

Vinification

Grapes are carefully harvested and gently pressed at low pressure. The juice is naturally settled for 12 to 16 hours at a cold temperature, leaving behind impurities. It undergoes alcoholic fermentation in temperature-controlled stainless-steel tanks (15-20°C) and ages on its fine lees for 5 months to reach its full potential.

Tasting Notes

Brilliant pale yellow color in the glass. The nose is mineral and fresh with ripe fruits aromas. On the palate, the wine is elegant and round with a delicately tangy finish which gives a lovely freshness.

Food Pairing

This wine is perfect with fish like sole meunière, shellfish, roasted chicken, asparagus or with goat cheese.
